

OBJECT ORIENTED WEB PROGRAMMING USING RUBY

Day 13: 12/July/2018
Towards the goal

Find latest slides from...

<https://github.com/webdbhosei/SugChat>

Now our lecture materials had been moved
to github.com

Design Review and Discussion

Some new changes had been required, and some new changes have been done.

Students concerned should review their design, and everyone should join the discussion on the design.

Copyrights and your contribution

Every student joined this project.

So, if you want, you can use the source code of this project in your own web site. You are the contributors.

On the occasion of your diversion, what further changes you think you want to add to this project?
